

Waiuku Dirt Track Club

NEWSLETTER

July 2017

The AGM has been and gone. We have a few new committee members, would like to welcome them aboard for another good year.

Would like to remind all our members that the Forestry sprints are still going, we still need helpers for race days out there. This would be a great way to get your working bees out of the way.

Also a reminder that **Memberships are due.**
Full Participating \$65
Social/ Juniors \$45

Craig Coffee 0211786446

Forest Dates

16th July 30th July
20th August
24th September

We had 2 remits that were carried from the AGM, They are as follows:

Remt One: That the Waiuku Dirt Track Club Adopts a new class to be known as the OPEN SALOON CLASS.

Reason: The Open Saloon Class is to comply With the clubs existing Vehicle Construction Rules. Unconventional design and builds to be permitted ie.... the use of wings, aero foils, alternative power source, unrestricted chassis & body shapes, the use of turbo chargers, superchargers, no restriction on horsepower or No of cylinders (if appliciabe) etc to be permitted. These cars are to be raced Clockwise.

Remit Two: Passenger age for the winter forest series. To lower the age to 15yrs of age. With Parental or Legal Guardian permission and they are to remain present at racing for the entire time and this is to be worded in the passenger indemnity form.

Reason: To create Interest and attract the next generation of Drivers in the Winter Series.
