## June Newsletter 2020

A BIG WELCOME TO OUR 2020/21 SEASON!

Hey everyone sure has been awhile since we've been able to go skidding... but finally things are getting back to normal and it won't be too long before we're creating dust clouds back at the track! Before we get into that, we would like to thank everyone for their patience over the last couple months and also for the numbers we had attending our AGM held last Thursday.

As a result of that, let's introduce our new committee for this coming season!

**Greta Brown – President**

**Bobby Thomas – Vice President**

**Carmen Pieterse – Secretary**

**Tina Challenor – Treasurer**

**Jill Robinson, Colin Robinson, Linda Hinds, Ricky Black, Shannon Bratton, Dylan Abel, Hayden Black, Vince Peters and Stu Murphy.**

A huge thank you to our committee from last season, we had a hell of a year! ☺ Looking forward to seeing Phil Saunders back on the track in something other than the water truck! Thanks again to both Phil, and Piet for their roles in last year's committee! The club appreciates it all.
